

ELIS Academy: iPads in the Classroom

San Juan Unified School District

Division of Teaching and Learning, English Learner & Multicultural Education

March 9, 2012

11:30- 3:00 pm

Howe Avenue School

Workshop Outcomes

- Explore iPads set up to support ELL students
- Experiment with apps
- Discuss technical and professional learning needs when purchasing iPads
- Learn about technical and instructional resources
- Engage in collaborative conversations

Learning Targets:

- Staff will deepen their understanding of powerful instruction as it relates to using iPads with English Learners. Staff will also develop and refine their skill set to impact EL student growth and achievement.
- Staff will deepen their knowledge, skill, and comfort with iPad management, basics and app selection that will help ELL students in the context of a balanced literacy approach.
